**FINANCIAL AFFIDAVIT OF SUPPORT AND
FINANCIAL PLANNING CERTIFICATE FOR
F-1 UNDERGRADUATE STUDENTS (2015–2016)**

United States visa regulations require all international students to provide evidence of funds totaling \$56,139 USD to meet expenses incurred during their first year of study. This document must reflect the estimated expenses outlined below:

ESTIMATED AND ADDITIONAL EXPENSES

Tuition	\$42,000.00	* This amount does not include travel and personal expenses, books and supplies, and emergency costs. Note that this figure is an estimated cost for the upcoming year. Tuition is not fixed and one can expect a slight increase annually.
Fees	\$1,680.00	
Room and Board	\$11,300.00	
IIT Health Insurance (Mandatory for F-1, J-1 students)	\$1,159.00	
Total	\$56,139.00*	

If any dependents (i.e. your spouse or child) will be accompanying you to the United States they must apply for an F-2 visa. In order for IIT to issue your dependent an I-20 you must demonstrate at least an additional \$4,400 per year for your spouse and \$2,200 per year for each child that will accompany you to the United States.

If you have received a merit-based scholarship from IIT, you may use that scholarship amount toward your proof of funding.
